MAY 2020

Dear Friends

I hope that you, your family and friends are healthy and well amidst the current restrictions on movement, and government advice on social distancing. We're all getting used to this new way of doing things.

As you'll be aware, St Peter's Church Newdigate building has been closed along with all other Churches in response to the Coronavirus epidemic. We don't know when we will be able to open the building again and to gather together there for worship. That is a great sadness for us all.

However, please be assured, that although the building has closed, the Church hasn't ceased to exist and we are able to keep in touch in different ways. Video conferencing, and social media are part of that. Do have a look at the Church Facebook page for various information, recorded talks and messages

<https://en-gb.facebook.com/St-Peters-Church-Newdigate-299399600427941/>

If you do need to make contact with anyone - if you can't get out for food and medicine, or you feel isolated and would like to chat on the telephone - contact details for Clergy and Pastoral Assistants are here on our website.

Details are also given of various volunteers in Newdigate Village who can give assistance if you are in difficulty.

Several weeks ago we reminded ourselves about the events of Palm Sunday, when Jesus rode into the city of Jerusalem on the back of a donkey. As he did crowds waved palm branches around, threw their cloaks on the road in front of him, and sang out words of praise, 'Blessed is he who comes

in the name of the Lord. Hosanna in the highest.’ As they did, it was noted, the whole city of Jerusalem was stirred.

It’s not often that a city, or a nation is stirred, but when it does happen, then very quickly, the whole pattern and dynamic of life can change. We’re all aware how COVID-19, the coronavirus, has stirred us and changed the way we are living. Schools, Pubs, restaurants, clubs, leisure centres and all places of worship have closed. We’ve been advised to stay indoors and self-isolate as much as possible. There has been a drive to make us all aware of the importance of frequent handwashing, and correct technique for doing so. This is a time of anxiety and sadness, fear and frustration, a time of stirring. Yet, even within times of stirring, there can also be moments of encouragement and uplift

Jesus would have been encouraged by the cheering crowds and songs of praise, as he rode into Jerusalem. This was actually going to be the most painful and horrific week of his life, yet here were special moments of happiness and excitement. Indeed, amidst all the current restrictions and difficulties, you may have experienced moments of encouragement. Perhaps you’ve appreciated working from home, and not enduring the daily commute to work. Maybe you’ve learnt a new skill like how to Zoom video conference.

Hunter Davies, the journalist, wrote a childhood memoir about growing up with rationing during the Second World War and the years afterwards. He called his book ‘The Co-ops got bananas’, based on the thrill one day of going to his local store and finding out they had some. He’d never seen any in a shop before. I always thought Hunter Davies’s book represented a bygone age, but I went into Bob’s Shop in Newdigate village a while back, and came out proclaiming with excitement, ‘They’ve got bananas’. Of course, nobody’s got any paracetamol but, on that day, Bob’s shop had bananas.

We should treasure moments of encouragement. In the last few months life has been tough. It’s been painful to hear the daily announcement of the number of folks newly identified with coronavirus. Much harder to comprehend is the number of people who have died, at one point well over 700 a day in the UK. We’re given an overall statistic, but it’s never about the number, it’s about each individual life, each set of grieving family and friends.

We know that we have to get through this, and we surely can, and will. But that journey is going to be painful, costly, and sacrificial.

As Jesus rode into Jerusalem surrounded by cheering crowds, he was encouraged, but at the same time had a good idea what might happen in the next few days. He was vulnerable, his life was in danger. It would be brutal and cruel. Nevertheless, he didn't turn back, he rode onwards. He would face this square on, he would do whatever it took. That was his choice, he was brave, resolute, and determined.

So take comfort from Jesus' example on Palm Sunday. Cherish the moments of encouragement. If you have fears and anxieties about all that has been happening, and all that may yet happen, then then turn to Jesus. Draw comfort and consolation from him. He faced the worst, and gave us his best. Before his death he stirred a city. Through his death he stirred the world.

With my best wishes

Andrew Coe

John Hanson RIP

We were very sorry to hear the sad news of John's sudden and unexpected death on 4th April 2020

He was very well known in Newdigate Village, particularly though his longstanding involvement with the Bowls Club, Horticultural Society, and Social Club. Indeed, John was out and about at the Bowls Club green, and his allotment in Underhill Road on Friday 3 April, when he was suddenly taken ill. Our sympathy, thoughts and prayers are with Ann and the family at this sad time following John's Funeral at Clandonwood Natural Burial Ground, Guildford on Thursday 16 April. He will be sadly missed.

Newdigate Infant School

School Newsletter written at the end of March by the Headteacher, Mrs Paula Bliss, to school Parents

Our value this half-term is thanks.

Chronicles 29:13 Now, our God, we give you thanks and praise your glorious name

We are thankful for what we have and will look after our world.

<http://www.newdigate.surrey.sch.uk>

Dear Parents,

How are you all doing? I am writing this newsletter in what can only be described as incredibly surreal and challenging circumstances and just wanted to make sure that you felt in touch with Newdigate Infant School and our precious community as we tackle this new version of daily life. You are in

our thoughts and our prayers and we wanted to say a huge thank you for all that you are doing with your children at home. We are trying desperately to provide the right level of work without overwhelming you. Currently teachers are looking at the best format to use after Easter and we are keeping in touch with other local schools to make sure we are all working together and taking a similar approach, although this may be different according to age and stage.

We have yet to really appreciate the beautiful new reception area that Pink Construction have created for us, but I have included a few piccies here to give you a flavour of what magic has been done in our old Early Years classroom! If you look closely you may even be able to spot a little fairy hiding in the logs! There is a new fit for purpose first aid/TLC station for our little ones and snazzy new offices for us to use. The space is bright and light

and super safe and we have a great view of our drive and the spring flowers at the moment.

A huge thank you goes out to our governors who have worked tirelessly to make this happen and to all of those people who so generously donated to the governor's fund. Donations are still welcome; contact us on our admin@newdigate.surrey.sch.uk e-mail for more information. We will be rejuvenating our old spaces once we have moved our furniture and be able to provide even better spaces for our ELSA and other intervention work.

We know from experience that your children are amazing and resilient and we will get through this and become a thriving community once again.

Stay well and safe.

Paula Bliss

Nature Reserve

The car park has been closed, in line with official policy, the aim being to discourage people from driving to and congregating at particular spots for their daily exercise. However, the reserve remains open for locals to use. There are warning notices at both ends of the boardwalk, parts of which are in a very poor condition and require care. But the nature reserve requires care everywhere; it is a nature reserve not a municipal park.

Potential hazards include narrow, uneven, and at times very slippery paths, trip hazards, steep slopes, deep water, and much more. Users must always be aware that they walk there at their own risk. But behind the scenes we

continue to work towards the eventual replacement of the boardwalk with a firm path, which should be easier to maintain in the long term.

The nature reserve remains a pleasant place to visit, and there is a good deal to see. The great crested grebes appear to have failed with their first breeding attempt, but we hope they will try again. A snipe has been seen on several recent occasions, and spring flowers are appearing. Frog and toad spawn has been laid, and we hope that out of sight the newts have also laid eggs, which they secure individually to the leaves of water plants. Grass snakes and slow worms have been seen basking in the sun on paths; they are not venomous, and if you are lucky enough to see one please admire it and step carefully over it.

Also be aware that many birds are nesting, and keep dogs under close control to avoid disturbing them.

Good Companions

Back in February Members were entertained by George Yates who is a magician and member of the magic circle. He performed a number of illusions and card tricks which had everyone mystified.

We also had a return visit from Nigel Dawson with a presentation of the sights and sounds of London. This included some of the history of parts of London as well as a number of the old Songs to join in.

Many thanks to everyone who has contributed to the Dorking Foodbank during the lockdown. Your generosity has helped some of the most vulnerable in Dorking and the villages, who - often already struggling - have been hardest hit by the coronavirus crisis. Please do continue to donate. Whilst the church building is closed, you will find the Foodbank box - plus a list of suggested contributions - in the porch.

Prayer for Grandparents

Dear God, please bless and always take care of my grandparents.

Through their care and understanding they have taught me
about your love and patience.

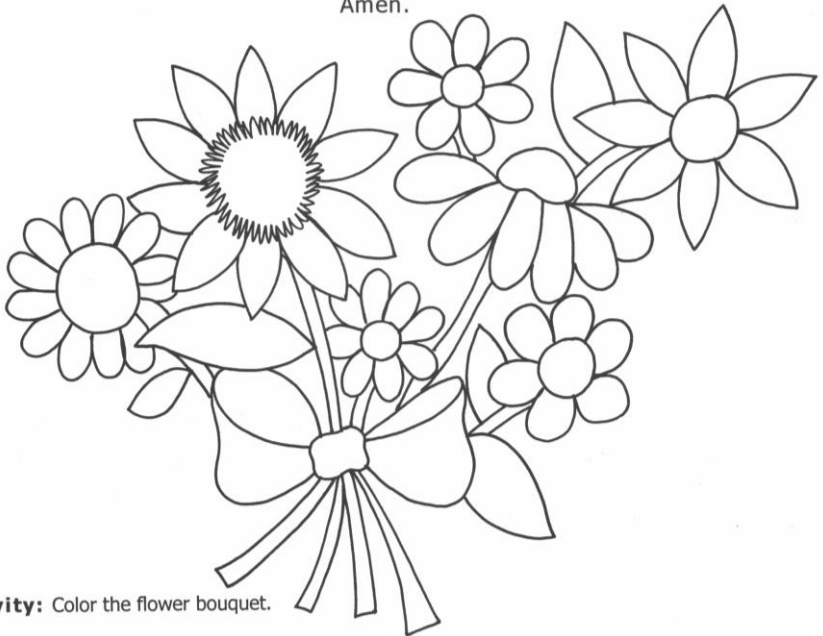

Through their encouragement and support they have made me
feel wanted and special.

Through their examples and faith, they have taught me about
trust and hope in you.

Through their stories and talks they have explained the past,
so that I might learn for my future.

Bless and protect my grandparents today and always, dear God.

Amen.

Activity: Color the flower bouquet.

Lockdown Exhibition

While we are all in Lockdown, get out your paints or pencils, dust off your camera, find your knitting needles,

your chisel, your glue and get creative.

As part of our fund-raising activities this year, we are planning an exhibition in Newdigate Village Hall of work created during lockdown. Any age, any medium, any ability – have a go.

The only criteria : ***The work is created by you during Lockdown***

We hope that we can display all the work created in the Village Hall on Saturday 31st October, [date to be confirmed]. If you're interested, let me have your email address. lesley.mears@btinternet.com and I will keep you posted.

Have a go at woodwork, tapestry, origami, photography anything creative.

If you would like to sell your work please make sure it is clearly marked and we would appreciate a donation to the Hospice of around 20%.

Why not give it a go?

NEWDIGATE PARISH COUNCIL

The Parish Council did not hold its usual monthly meeting in April due to the lockdown. The possibility of holding the May meeting online is currently under consideration. If you need advice or assistance please do not hesitate to contact your Parish Councillors or the Clerk. Their details are listed on the website www.newdigateparishcouncil.gov.uk.

Councillors were very sad to hear of the loss of John Hanson. He made a huge contribution to the welfare of the community with the Bowls Club, and looking after the allotments, among other things. He will be greatly missed.

The Parish Council thanks all the volunteers and everyone who has been able to help their neighbours during the lockdown.

Dorking Museum in May

May is a month for celebrating the coming of summer, warmer weather, blossoming flowers and trees. At the time of writing, it looks as if it will still be a time of uncertainty when traditional celebrations may be rather more muted. But stay safe and take encouragement from the fact that May 18th sees the beginning of National Smile Month.

At the time of writing, the Museum is sadly closed, the new season's re-opening of South Street Caves tours has been deferred and the programme of guided walks in and around Dorking has been suspended. These activities will be reviewed on an ongoing basis, so please check the Museum's website for updates. Additional guided walks have been provisionally scheduled from July onwards.

Even though the doors are closed, activity is still going on within the limitations imposed by the coronavirus shutdown. Research has continued for the summer exhibition, '**Forster at 50**', due to open during May, commemorating the 50th anniversary of the death of novelist E M Forster.

The timing of the exhibition will be kept under review and, if necessary, it may be held over until 2021.

More creative work is going on in various households around the area in preparation for the autumn exhibition, **'Mayflower 400'**, commemorating the 400th anniversary of the sailing of *The Mayflower* with West Street shoemaker William Mullins and his family on board. A special feature will be displays of locally found 17th century shoes and replicas made by a local saddler, the kinds of tools that Mullins would have used in his trade and male and female costumes of the period. Working from home, some Museum volunteers are in the process of creating seventeenth century costumes. They have managed to source some modern fabrics that closely resemble fabric of the period and are trying to emulate sewing methods of the time. There will be dressing up clothes for children and adult garments which will be displayed on mannequins as part of the exhibition.

Dorking Men's Shed are also working with the exhibition team to make a cross section model of the Mayflower and its contents. They have already done a huge amount of research into the speculative dimensions of the ship and mocked up a model. Now they are all trying to work from home as the Shed is also closed.

The Museum is currently closed, but will re-open as soon as circumstances allow. Visit www.dorkingmuseum.org.uk for updates. Enquiries to admin@dorkingmuseum.org.uk.

Newdigate Cricket Club

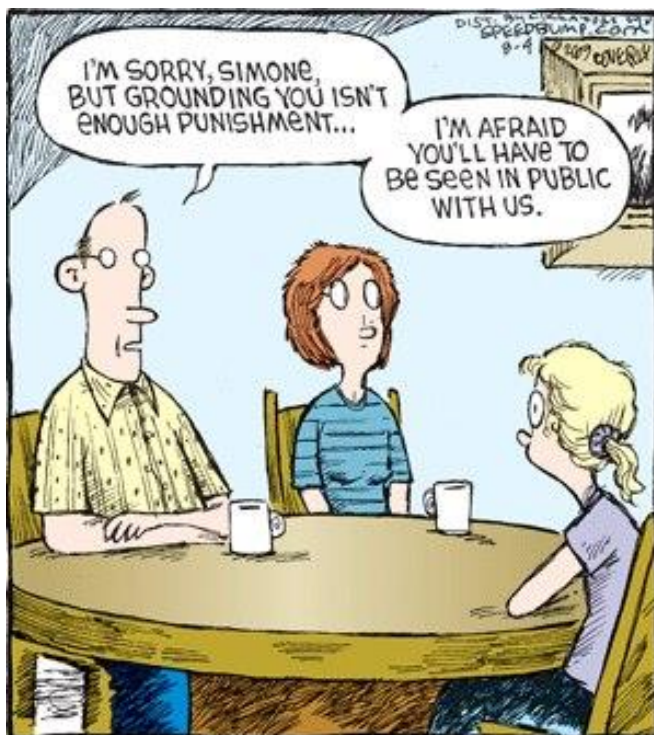

Following the Government's advice and instructions from the ECB the cricket season has been put on hold until at least the end of May. This includes matches and training and could go well beyond that date.

We are keeping our juniors involved by sending them training videos so that they can practice in their gardens. We have no idea as to what will happen to the league programme for both juniors and adults and we will be totally led by the ECB who in turn are liaising closely with the Government.

Of course, the ground still needs maintaining as the grass doesn't stop growing, so we have taken advice from the ECB and the National Association of Groundsmen. Our groundsman will look after the square and one volunteer will cut the outfield. Social distancing will be upheld at all times and once equipment has been used no one will touch it for a week.

Obviously this will have a huge impact upon club finances. The ECB has given us a year's holiday for the loan repayment so the management committee, who meet regularly via Zoom, are looking at this aspect very closely.

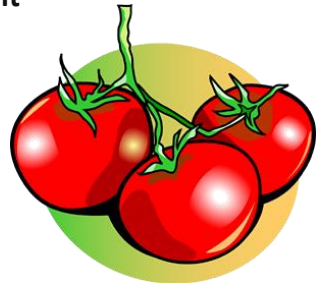

The last time the club did not play cricket was during the Second World War and it emerged safely from that, so we hope to be able to continue in the same spirit.

Having been unable to find tinned tomatoes lately, but fresh tomatoes being fairly readily available this looks to be worth a try! Lots of lockdown recipes are appearing online – definitely worth taking a look.

The perfect tomato sauce

- 800g good, tinned plum tomatoes or ripe fresh fruit**
- 2 tbsp olive oil**
- 1 small onion, finely chopped**
- 2 garlic cloves, crushed**
- 1 tsp sugar**
- Dash of red-wine vinegar**
- 3 stems of fresh basil**
- Extra-virgin oil, to serve (optional)**

If using fresh tomatoes, drop them into a pan of boiling water and leave for about a minute, until the skins split. Lift out and peel, then roughly chop.

Heat the oil in a medium saucepan on a medium-low heat and add the chopped onion. Soften for about five to seven minutes, until translucent but not coloured. Stir in the garlic and cook for another two minutes.

Tip in the tomatoes, and break up with a wooden spoon if necessary, then add the sugar, vinegar and the stems of the basil, reserving the leaves. Season lightly.

Bring to a simmer, then turn down the heat and simmer for 45 minutes, stirring occasionally, until thick.

Test the seasoning, add the basil leaves, roughly torn, and drizzle in a little extra-virgin olive oil if you like before serving.

A Moment to Reflect

Traditional Child's Night Time Prayer

Lord, Keep us safe this night,
Secure from all our fears;
May angels guard us while we sleep,
Till morning light appears.

'Do not assume the other fellow has intelligence to match yours. He may have more.' *Terry Thomas.*

'Trouble knocked at the door, but, hearing laughter, hurried away.' *Benjamin Franklin*

A few from the wonderful A A Milne which really capture things at the moment!

'I think we dream so we don't have to be apart for so long. If we're in each other's dreams, we can be together all the time.'

'What day is it?' asked Pooh.
'It's today,' squeaked Piglet.
'My favourite day,' said Pooh.

'Friendship," said Christopher Robin, 'is a very comforting thing to have.'
