

# Newdigate Parish Council

## Community Projects for 2020 – 2021

Funds raised by the precept enabled the following allocations to be approved by the Parish Council for expenditure on Community Projects at its October 2019 meeting:

Newdigate Brickworks Reserve refurbishment works	£2,500
Volunteer Driver Transport Scheme start-up costs	£1,000
Traffic Calming measures following survey responses	£1,000
Community Centre Outdoor Gym	£3,000
Roof over Seat near Church (withdrawn in response to public comment)	£500

## Action Plan

### Aim:

To provide and/or improve public facilities for residents in the most cost-effective way.

### Objective:

To complete the projects listed within a 2-year period and within budget.

### Actions:

- To arrange meetings with the organisations and individuals who need to be involved in completion of the projects.
- Gain appropriate permissions where necessary.
- Facilitate activities needed to complete each project within the two-year time frame.
