

Bogus callers

We do not do private work. If anyone offers to do private work please contact Surrey Trading Standards on 0808 223 1133 or visit www.surrey.gov.uk/stopcoldcallers

The council's contractor Ringway will be carrying out these works on our behalf.

What are we doing?

We are carrying out stud removal works on Rusper Road, Newdigate in preparation for surface dressing due to take place later this year.

Works area: 

Information for residents and businesses

Rusper Road will be closed from Golf Course entrance to Church Road whilst we carry out these works.

We will make sure you can get to and from your house or business but there will be times when **delays are unavoidable**. Talk to a member of our staff on site if you need help – talking to our staff can solve most issues.

- This type of work is weather dependent and bad weather means the work will be rescheduled.
- Due to the fast-moving nature of this type of work, dates can vary. If we're unable to work on the date on this leaflet, please make sure the road is left clear of vehicles the following working day.
- **Please keep the road free from parked vehicles**, otherwise it may be towed to a nearby road.
You can park on the road once the surface dressing is completed. You don't have to park elsewhere when we sweep the loose chippings.

My road looks fine, why is it having surface treatment when there are other roads that need it more?

Surface dressing is a preventative treatment used on roads in a good condition, to protect and prolong their life for up to 10 years.

Customer feedback

We'd appreciate your feedback on these works to help us continue to improve. Please scan the QR code to fill out the online survey.
Thank you in advance.

Please respect our road workers. Slow down near road works and obey signs - they are there for everyone's safety
