Dear Jackie

Re: Newdigate Parish Council
Internal Audit Year Ended 31 March 2024 – Year-End Audit report

Executive summary

Following completion of our year-end internal audit on 19 April 2024 we enclose our report for your kind attention and presentation to the council. This report contains details of the additional testing conducted at year-end and should be considered alongside the interim audit report issued following our interim audit on 9 November 2023. The audits were conducted in accordance with current practices and guidelines and testing was risk based. Whilst we have not tested all transactions, our samples have where appropriate covered the entire year to date.

Our report is presented in the same order as the assertions on the internal auditor report within the published AGAR. The start of each section details the nature of the assertion to be verified. Testing requirements follow those detailed in the audit plan previously sent to the council, a copy of this is available on request. The report concludes with an opinion as to whether each assertion has been met or not. Where appropriate **recommendations for action are shown in bold text and are summarised in the table at the end of the report.**

Our sample testing did not uncover any errors or misstatements that require reporting to the external auditor at this time, nor did we identify any significant weaknesses in the internal controls such that public money would be put at risk.

It is clear the council takes governance, policies and procedures seriously and I am pleased to report that overall, the systems and procedures you have in place are fit for purpose and whilst my report may contain recommendations to change these are not indicative of any significant failings, but rather are pointers to improving upon an already well-ordered system.

It is therefore our opinion that the systems and internal procedures at Newdigate Parish Council are well established and followed.

Regulation

The Accounts and Audit Regulations 2015 require smaller authorities, each financial year, to conduct a review of the effectiveness of the system of internal control and prepare an annual governance statement in accordance with proper practices in relation to accounts. In addition to this, a smaller authority is required by Regulation 5(1) of the Accounts and Audit Regulations 2015 to “undertake an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes, taking into account public sector internal auditing standards or guidance.”

Internal auditing is an independent, objective assurance activity designed to improve an organisation's operations. It helps an organisation accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control and governance processes. The purpose of internal audit is to review and report to the authority on whether its systems of financial and other internal controls over its activities and operating procedures are effective.

Internal audit's function is to test and report to the authority on whether its specific system of internal control is adequate and working satisfactorily. The internal audit reports should therefore be made available to all Members to support and inform them when they considering the authority's approval of the annual governance statement.

Independence and competence

Your audit was conducted by Andy Beams of Mulberry & Co, who has over 30 years' experience in the financial sector with the last 13 years specialising in local government.

Your auditor is independent from the management of the financial controls and procedures of the council and has no conflicts of interest with the audit client, nor do they provide any management or financial assistance to the client.

Engagement Letter

An engagement letter was previously issued to the council covering the 2023/24 internal audit assignment. Copies of this document are available on request.

Planning and inherent risk assessment

The scope and plan of works including fee structure was issued to the council under separate cover. Copies of this document are available on request. In summary, our work will address each of the internal control objectives as stated on the Annual Internal Audit Report of the AGAR.

It is our opinion that the inherent risk of error or misstatement is low, and the controls of the council can be relied upon and as such substantive testing of individual transactions is not required. Testing to be carried out will be "walk through testing" on sample data to encompass the period of the council year under review.

Year-End Audit

The year-end audit was conducted remotely. Information was requested from the council in advance of the audit taking place, and this was reviewed along with other information published on the council's website www.newdigateparishcouncil.gov.uk

Interim Audit - Points Carried Forward

I am pleased to see that the council has addressed most of the issues identified in the interim audit. Progress against the points raised is noted below:

Audit Point	Audit Findings	Council comments on actions taken since interim visit
B. FINANCIAL REGULATIONS, GOVERNANCE AND PAYMENTS	I was unable to trace a Website Accessibility Policy and I recommend the council speaks to its website provider to ensure it is meeting the requirements of the Public Sector Bodies (Websites and Mobile Applications) (No. 2) Accessibility Regulations 2018. This link to West Chilton Parish Council provides a good example of a Website Accessibility Statement www.wcpc.org.uk/accessibility-statement	I note the council website now has a statement saying <i>'This website is run by Newdigate Parish Council. We want as many people as possible to be able to use this website and are working towards full compliance with the Website Content Accessibility Regulations. If you have difficulty accessing any part of the website, please email the Parish Clerk for assistance'</i>
B. FINANCIAL REGULATIONS, GOVERNANCE AND PAYMENTS	I recommend introducing Terms of Reference for each committee and publishing these on the council website. An example of terms of reference is available via this link www.wcpc.org.uk/council	I note the council adopted Terms of Reference and a Scheme of Delegation in November 2023 and this is published on the council website.
B. FINANCIAL REGULATIONS, GOVERNANCE AND PAYMENTS	I remind council it is required to also post any supporting documentation with the agendas as outlined by the Information Commissioner's Office (page 3 of this link) ico.org.uk/minutesandagendas.pdf	To be reviewed at the next interim audit.
I. BANK AND CASH	I noted that the bank statement have been signed in accordance with the Financial Regulations, although there is no evidence of a bank reconciliation being signed and this activity will need to be completed and evidenced at the final audit to achieve a positive sign-off for this internal control objective.	The Clerk provided a copy of the March bank statement as part of the internal audit checks, which contains a councillor signature.

B. FINANCE REGULATIONS, GOVERNANCE AND PAYMENTS

Internal audit requirement

This authority complied with its Finance Regulations, payments were supported by invoices, all expenditure was approved, and VAT was appropriately accounted for.

Audit findings

Check that the council's Finance Regulations are being routinely followed.

Further to the detailed testing conducted at the interim audit, from a review of council minutes since that date, I satisfied that the council continues to follow its Financial Regulations and approves payments correctly.

C. RISK MANAGEMENT AND INSURANCE

Internal audit requirement

This authority assessed the significant risks to achieving its objectives and reviewed the adequacy of arrangements to manage these.

Audit findings

We discussed assertion 8 on the Annual Governance Statement and whether this had any impact on the council.

"We considered whether any litigation, liabilities or commitments, events or transactions, occurring either during or after the year-end, have a financial impact on this authority and, where appropriate, have included them in the accounting statements."

The Clerk confirmed that they were not aware of any event having a financial impact that was not included in the accounting statements.

D. BUDGET, PRECEPT AND RESERVES

Internal audit requirement

The precept or rates requirement resulted from an adequate budgetary process; progress against the budget was regularly monitored; and reserves were appropriate.

Audit findings

The Clerk shares the budget performance information at every Finance Committee meeting for review. This shows spend against budget and provides councillors with sufficient financial information to make informed decisions.

Analysis of the council's year-end receipts and payments report shows total receipts for the year reported as 101.9% of budget and total payments as 63.0%.

At the end of the financial year, the council held earmarked reserves (EMR) balances totalling £15,000 split across three different planned projects. The remaining £6,288 is held in the general reserves.

The Joint Panel on Accountability and Governance (JPAG) Practitioner's guide states *'the generally accepted recommendation with regard to the appropriate minimum level of a smaller authority's general reserve is that this should be maintained at between three and twelve months of net revenue expenditure'* (para 5.33).

The general reserve balance is within the recommended range.

G. PAYROLL

Internal audit requirement

Salaries to employees and allowances to members were paid in accordance with this authority's approvals, and PAYE and NI requirements were properly applied.

Audit findings

I reviewed the total figure being included within box 4 (staff costs) on the Annual Governance and Accountability Return (AGAR) and was able to confirm from the accounting records that this includes only salary payments, HMRC payments and pension contributions.

H. ASSETS AND INVESTMENTS

Internal audit requirement

Asset and investments registers were complete and accurate and properly maintained.

Audit findings

I confirmed the asset register total matches that included in box 9 (total fixed assets plus long term investments and assets) on the AGAR. There have been no additions nor deletions during the year.

The council has no borrowing nor long-term investments.

I. BANK AND CASH

Internal audit requirement

Periodic and year-end bank account reconciliations were properly carried out.

Audit findings

At the interim audit, I noted 'I noted that the bank statement have been signed in accordance with the Financial Regulations, although there is no evidence of a bank reconciliation being signed and this activity will need to be completed and evidenced at the final audit to achieve a positive sign-off for this internal control objective.'

The Clerk provided a copy of the March bank statement as part of the internal audit checks, which contains a councillor signature, which meets the requirement of the Financial Regulations, and the council should ensure the statements are signed regularly in the future.

I reviewed the March 2023 bank reconciliation for all accounts and was able to confirm the balances to the bank statements and found no errors.

Year-end balances are within the £85,000 protection limit offered by the Financial Services Compensation Scheme (FSCS).

J. YEAR END ACCOUNTS

Internal audit requirement

Accounting statements prepared during the year were prepared on the correct accounting basis (receipts and payments or income and expenditure), agreed to the cash book, supported by an adequate audit trail from underlying records and where appropriate debtors and creditors were properly recorded.

Audit findings

The council, at its meeting to sign off the year-end accounts, must discuss Section 1 of the AGAR (Annual Governance Statement) and record this activity in the minutes of the meeting. **COUNCIL IS REMINDED THAT THIS MUST BE A SEPARATE AGENDA ITEM PRIOR TO THE SIGNING OF SECTION 2 OF THE AGAR (ANNUAL ACCOUNTS).**

Section 1 – Annual Governance Statement

Based on the internal audit finding I recommend using the table below as the basis for that discussion.

	Annual Governance Statement	<i>'Yes', means that this authority</i>	Suggested response based on evidence

Audit findings

The year-end accounts have been correctly prepared on a receipts and payments basis with no requirement to complete the box 7 and 8 reconciliation.

The AGAR correctly casts and cross casts and last year's comparatives match the figures submitted for 2022/23 and published on the council website.

The council is completing the Exemption Certificate and has stated the income total as £18,177 and the expenditure total as £16,641. From a review of the accounting records, I was able to verify that these figures are correct.

K. LIMITED ASSURANCE REVIEW**Internal audit requirement**

IF the authority certified itself as exempt from a limited assurance review in 2022/23, it met the exemption criteria and correctly declared itself exempt. (If the authority had a limited assurance review of its 2022/23 AGAR tick "not covered")

Audit findings

The council correctly declared itself exempt in 2022/23 as both its income and expenditure were below £25,000. The Exemption Certificate is published on the council's website.

L: PUBLICATION OF INFORMATION**Internal audit requirement**

The authority published the required information on a website/webpage up to date at the time of the internal audit in accordance with the relevant legislation

Audit findings

For councils with a turnover below £25,000, it is a statutory requirement to follow the Transparency Code for Smaller Authorities and testing of compliance with this requirement is detailed below.

Information to be published	Audit findings
All items of Expenditure above £100	Listed within minutes of meetings
End of Year Accounts	Published on 'finance documents' page of website
Annual Governance Statement	Published on 'finance documents' page of website
Internal Audit Report	Published on 'finance documents' page of website
List of councillor responsibilities	Published on 'parish councillors' page of website
Details of land and building assets	Published on 'finance documents' page of website
Minutes, agendas and meeting papers	Published on 'parish council meetings' page of website

All councils are required to follow The Accounts and Audit Regulations which include the following requirements:

13(1) An authority must publish (which must include publication on that authority's website)

- (a) the Statement of Accounts together with any certificate or opinion entered by the local auditor in accordance with section 20(2) of the Act; and
- (b) the Annual Governance Statement approved in accordance with regulation 6(3).

13(2) Where documents are published under paragraph (1), the authority must

- (a) keep copies of those documents for purchase by any person on payment of a reasonable sum; and
- (b) ensure that those documents remain available for public access for a period of not less than five years beginning with the date on which those documents were first published in accordance with that paragraph.

I was able to confirm that pages 4 (Annual Governance Statement), 5 (Accounting Statements) and 6 (External Auditor's Report and Certificate) of the AGAR are available for review on the council website for financial years 2018/19 to 2022/23 inclusive.

M: EXERCISE OF PUBLIC RIGHTS - INSPECTION OF ACCOUNTS**Internal audit requirement**

The authority has demonstrated that during summer 2023 it correctly provided for the exercise of public rights as required by the Accounts and Audit Regulations.

Audit findings

Inspection – key dates	2022/23 Actual	2023/24 Proposed
Date AGAR signed by council	12 June 2023	13 May 2024
Date inspection notice issued	13 June 2023	2 June 2024
Inspection period begins	14 June 2023	3 June 2024
Inspection period ends	25 July 2023	12 July 2024
Correct length (30 working days)	Yes	Yes
Common period included (first 10 working days of July)	Yes	Yes

I am satisfied the requirements of this control objective were met for 2022/23, and assertion 4 on the Annual Governance Statement can therefore be signed off by the council.

I was able to confirm that the proposed dates for 2023/24 meet the statutory requirements.
